Tuesday, June 10, 2025

6:30pm - 7:10pm

Moving from Safe to Brave

- Define and discuss the 4 types of racism (internalized, interpersonal, systemic, and structural)
-

7:10pm - 7:50pm

Inclusive Language & The Sociopolitical Construct of Race

- Share examples from one's practice and reflect on how structural racism still exists in medicine today
 - Review best practices for caring for patients who have been victims of medical experiments
-

7:50pm - 8:30pm

Stereotype Threat & Imposter Syndrome

- Define and discuss barriers to overcome stereotypes, stereotype threat, and imposter syndrome
- Identify risk factors associated with imposter syndrome and use an inventory to diagnose it
