Event Agenda

Tuesday, March 17, 2026 at 6:00pm ET - 8:30pm ET

📍 All times listed in Eastern Time (US & Canada).

Tuesday, March 17, 2026

6:00pm - 8:30pm

Managing your heart

Gordon Vordermark

Modern Heart Failure Management: Devices to help patients after diagnosis

We will be discussing Life Vest, the newest SCA data, and the Heart Failure Management System patch (only non-invasive heart failure monitor!)
